Kane and Lynch 2: Dog Days is IO Interactive's sequel to 2009's Kane and Lynch. It is a continuation of the story, and features six new hours of gameplay with four multiplayer modes. The Single Player mode has been expanded to a full campaign. This time around, players will work as partners instead of enemies. The co-op game will feature four-player online multiplayer, and a co-op campaign, where two players will work together in the Main story.
