Mafia: The City of Lost Heaven is an action/RPG game developed by Black Bean Games. It was released for Microsoft Windows in May 2012 and for PlayStation 4 in June 2015. This game was released as the sequel to Mafia 2. Gameplay & Storyline The story begins in 1985, and the player plays an orphaned child named Vito, who is only six years old. Soon, the player is forced to fend for themselves and live in a hidden city, Red Apple, in the catacombs under the city of Palermo, Italy. Red Apple is hidden from society by the Mafia, and Vito is slowly absorbed into the strange underworld after he begins to steal and exchange medicine and become an adventurer who is accepted into the Mob. As the child grows up, Vito is exposed to crime, murders, Mafiosi, and betrayal, which corrupts his young life. After the end of the war between the Mafia and the government, Vito becomes a part of the mafia, and the story begins. The story features a variety of characters who are available to play as, including: Giovanni "Johnny" Bono – A stereotypical Mafia member, Johnny is known to be the boss of the entire crew.
