IWatcher Crack With Registration Code For Windows

[Download]

IWatcher Crack Full Version

iWather is a free search engine rank checker and monitor, it tracks the search engine positions of thousands of web sites for you. The program displays the current ranking on Google, Yahoo, MSN, Altavista, Lycos, Excite, Dogpile, Looksmart, Scooter, Open Directory, Ask, Live, Delphi, Hotbot, Vivisimo, Looksmart and other major search engines such as Blekko and other. Using the latest techniques for determining search engine placement, iWather constantly updates all data. You can view the positions of your own site and other web pages on search engines on a search engine basis, and even monitor your competitor's sites! iWather allows you to login and view any sites on any search engines, which can be very helpful when troubleshooting problems or trying to find out how the search engines rank your own or your competitors sites. With the iWather Tester you can test your site for its position on the search engines before you invest a lot of money into promotion. iWather Features: ⦿ Detailed historical rankings of every site on search engines with screenshots ⦿ Clear and intuitive interface ⦿ You can use it as a web page profiler and monitor ⦿ Supports almost every major search engine ⦿ Export results to CSV and HTML files ⦿ You can receive email alert when the site changes the ranking. ⦿ Adjust the size of the search engine to make it larger, which is a big help for those who struggle to see details. ⦿ A log file is generated. It can be viewed with any text editor. ⦿ New records show up in the window or in the log file. ⦿ Use the log file to visualize the search engine results (need a special text editor to open it). The program can record the changes on each search engine. You can also see the record of the number of hits. The log file may be seen with any text editor. Requirements: ⦿ Windows 98/ME/2000/XP/Vista/Win7 ⦿ Requires the Microsoft.NET Framework 1.1 or 1.2 The user guide included is installed on the program CD-ROM. iWather Screenshot: Wynn Las Vegas Welcome to the Wynn Las Vegas
