• The Lands Between A magnificent world born from the dreams of the Elden themselves, the Lands Between is said to be the source of all existence. Containing a variety of interconnected territories and lands, this world is full of interest to the eye and the spirit, but its mysteries are only just beginning. • An Adventure on a Multi-Layered Floor While exploring the world that has been designed with care, you will gradually hear more about the history of the Lands Between. In this way, you can enjoy content that more comprehensively develops the world. With the introduction of Dragon and Dragon's Wing, the Lands Between was awakened for the first time in a period of eternal seclusion for the Elden, and it is possible to gain access to Dragon's Wing, the Ritual Cave, and the Crystallized Dominion. In this world full of mystery, the Lands Between that has been left to sleep for countless years can be discovered. But it is not without peril. In addition to the dangers of wandering, the unending questions and mysteries of the Elden may also trap you. • Collect the Fragment of Dreams As you explore the world of the Lands Between, you can take on quests that will allow you to collect various fragments of dreams. By collecting these fragments, you can obtain the Magic Tree, which unlocks the dungeons of the Crystallized Dominion, and also obtain numerous items that will equip your character with a variety of skills. A quest where you complete the quest by traveling to each of the intermediate

worlds between the Ritual Cave and the Crystallized Dominion is also included. The first intermediate world contains the World Tree, the Source of Heaven and Earth. By collecting the fragment of dreams, you can obtain the Magic Tree and make contact with the World Tree. Through the contact, you can command your character to perform the abilities of each of the four wings and reach the ultimate source of the four world trees, which is the Flower, Land of the Elden. The skill can also make the two dragons that exist on the lands of the World Tree appear in front of you. • A Variety of Character Skills The variety of skills will allow you to adopt a play style that suits your play style. To see how well you can master the various skills, you can make use of the items that you collect, such as the set of three skills called “the daddies”. There are also a variety
