1. The Risen – During this era, the lands of Aryndoria suffer a major calamity. From the chaos of war, several kinds of horror, some of which are possessed by lost souls called mutants, materialize in the world.

The only way to purify the world and eliminate these monsters is to discover the means of restoring the lost world to its original state of power. To do this, the continent is divided into nine regions and each region has a leader. Each leader has the title of Elder Lord and leads a group called the Elder Wing. The last Elder Wing leader, Tarnished, appears in the northwest, and the other Elder Wing leaders, Yuno, Quain and Lann, appear in the other regions. 2. The Quest – Tarnished challenges Yuno, Quain, and Lann to find the ancient magic Erti, the ultimate key to restoring the lost world. However, before

---

they can meet Tarnished, they receive an unexpected message from a mysterious voice. ※Tarnished is a male character who appears in the "The New Fantasy Action RPG" (※). 3. The Alliance - The three Elder Wing leaders finally arrive at the Isle of Storms to confront Tarnished. There they find not just one, but six "mutation keys" that will allow them to unlock the power to restore the world and find out the truth behind the lost world. 4. The Drama - The three Elder Wing leaders unite their power to become the ultimate Elden Lord and defeat Tarnished. 6. Conclusion - The Elder Wing leaders return to their respective lands with Erti in their possession. The leader of each Elder Wing Elder Lord is a powerful sorceress who controls a powerful magic called elden. They each appoint a new Elder Wing chief and a new Elder Lord, in order to revive the lost world. ※ The Elder Wing leaders and their corresponding races are the Calamari - a dark and primitive race, and the Dreglion - the descendants of those who carelessly built the world and sowed evil. ※ The Elder Wing leaders, their relationships, and their corresponding races are subject to change.

IMAGE KINGRANK is a newly released indie game that has been met with universal acclaim. It is developed in Ukraine by three talented developers, and has received over 25 thousand dollars on Kickstarter. The game's story is set between the mythical and fantastical world of earth and the unknown universe of Elysium. We are excited to share these exclusive features with an English audience for the first time. The game's core concepts are simple: you are a god-like being who can reshape the world with his or her will bff6bb2d33
