GROUPS OF PEOPLE who once lived together become scattered among different lands. It was a time when the earth was populated with civilization. They created cities, and it was at that time that they became the civilization of the Age of Elden. However, the earth was still suffering from the wars and turmoil that brought about the destruction of the world, and a great disaster came. All the people who lived before the Age of the Elden, which is described in the legend as the "most blessed age" in the world, became scattered in the forests, ruins, and the underground below the earth. However, the good news is that some people were saved and could take refuge in the world made by the God of the Underworld. These people who were saved found a new world. And this new world has been bustling with the people who lived together. This world exists in the Lands Between in a time when the Age of the Elden once lived. In the Lands Between, there are countless people who exist with their own intentions and intentions. The Lands Between is a land where the powers of The Elden Ring Cracked Version are involved, and it is an area where the activities of The Elden Ring are prevalent. The mysterious power that exists beyond the world breaks through the Lands Between, and those who become involved in the war of The Elden Ring are brought into a world where they have never been before. The Lands Between is where you live and develop. It is a world where you can create your own story. GAME FEATURES ■Asynchronous Online The game supports a unique online element that allows you to feel the presence of others. ■Online Content Players can connect to other players in real time and receive gifts for collaboration. -International Expansion: Features Japanese, English, Korean, Traditional Chinese, and Simplified Chinese localization. -Greetings from the Developer: A large number of supporters of the console version have been involved in the game's development. -Play on your own terms: The design of the game is flexible and can be played in a manner that suits you. -Forget everything you know and try something new! ■Online Play Players can connect to other players to play together through online mode. ■3D Graphics The graphics are crisp, thanks to its use of the Vulkan API, and you can feel the full

Elden Ring Features Key:

Open World: The Lands Between is a world where open fields with a variety of situations and huge dungeons

Experience a new fantasy action RPG A new genre of fantasy RPG is born, with a new way of playing the game and a brand new world. 2. A vast world full of excitement The game's wide world is full of a variety of towns, landscapes, and dungeons, where there is a different feeling for each. Even inside dungeons, the 3D graphics are complex and deep, and the play style is full of novelties. 3. Create your own character There are 5 types of characters, and each has the look and feel that you prefer. You can freely combine weapons, armor, and magic. 4. An epic drama born from a myth The story of the game is told in fragments, and the 60 hours of gameplay progresses one by one. A unique play style and various types of enemies are awaiting you. 5. Unique online play that loosely connects you to others In addition to multiplayer, you can enjoy an asynchronous online element where you can receive information and requests from other players on the same server and more easily communicate with them. 6. A brand-new type of fantasy RPG Experience the action RPG that is different from any other games. Play now the new fantasy action RPG on Steam! * The game is built with Construct 2. You can download it for free, with no cost at all! A brand-new fantasy RPG built with Construct 2 - The game features an Asynchronous online element, so you can connect with others and easily communicate Feel the action of a sword-wielding knight or mage, or the touch of a champion with a shield. Explore new worlds, gather items, and chat with others in this fantasy RPG. The action RPG comes with a large world, a variety of items, dungeons, monsters, and even a merchant. Your basic skills are life, perception, strength, charisma, and constitution. Through skill upgrades you will be able to see through more useful items and learn to control a versatile party of characters. You can combine items and runes to create new weapons
