(VOCALOID4 ELDEN RING) A new fantasy action RPG developed by ACE COMBAT HOODS. In "The Lands Between," an un-ending desert. Thousands of years have passed since the Elden, who are humans, obtained the power of the Elden Ring and the power of "the Seventh Law." The Elden Ring takes on a lonely existence, in an un-ending world where no humans exist. In this world, the Elden appear and are scattered around. This game is also available on the PlayStation®4, Xbox One, and the Windows PC. The game features the following key features. ● Features: 1) Vocaloid4 VOCALOID4 pack (VOCALOID4 ELDEN RING): a VOCALOID4 pack of a male voice provided by the original composer, Shintarou, with vocals provided by the artist, Défi, where you can enjoy high quality singing. (VOCALOID4 ELDEN RING) 2) A Vast World Full of Excitement: a vast world full of excitement where large sized open fields with a variety of situations exist in tandem with large sized complex and three-dimensional dungeons. ● Story: A multilayered story told in fragments. An epic drama, where the various thoughts of the characters intersect in the Lands Between, a world that exists between the human world and the Elden world. ● System: World is in an "un-ending world where no humans exist." ● Character: An advanced RPG system where you can freely customize the appearance and capabilities of your character. You can increase your muscle strength to become a strong warrior, or master magic. ● Variety of Combat Systems: ◆ Arms Engineering: The game features three kind of Arms Engineering: melee weapons, ranged weapons, and hand weapons (see "Details" on page 16). The world is full of dangerous monsters, and can you make Armes Engineering to combat them with the power of the Arms Engineering? ◆ Ultimate Strike: Several attacks can be added to the Ultimate Strike, and new Ultimate Strikes can be acquired by equipping Rare Amulets. ◆ The Clash System: By using Clash, you can combine the Arms Engineering weapons, armor, and magic to customize the
