## **What's new in HUBE: Seeker Of Achievements:**

**, Inventor of New Ideas Happy Hour Entertainment Network (HHEN.com) is an integral part of the HUBE Studios web site. HHEN.com runs a variety of different competitions, allows HUBE members to submit their own music, and also supports the creation and distribution of videos. The HUBE stage is one of the many parts of HHEN.com that shows off HUBE's talent. The site has a plethora of features, and now we can add an "hourly" element to the mix! THE HOUR HUBE is giving members who log in during the hour on January 11, from 6:01am to 6:59am EST on a certain song or video, the opportunity to have a dance off performed with the HUBE Stage! Do you have a song or video that was uploaded onto HHEN.com in the HHEN archives? If so, simply go to the HHEN.com website on January 11th, 6:01am to 6:59am EST. Then log in at the top left (symbolizing "the door") and look for all your favorite artists in the HUBE section and click on their name. For those who don't know, the HUBE studio has an ALLSTAR section where all of our members can get together and collaborate on their career or personal projects. In this instance, we want to see if the HUBE community has a hit in the archives or if we can uncover one by playing music between certain hours. This is only for that one hour, so don't worry if your song or video is deleted. If you go to the HUBE website and it says "Saved searches deleted" then it means you've already been deleted when HHEN runs the competition at 6:01am. Nonetheless, we can still see what you've gone and created. The feeling is pretty great, especially when you know what it takes to hit the top with hit songs, but even though it is a competition, we feel that the chance of getting a single seen on TV or made popular is honestly your biggest competition. The success of music artists is to expose people to their work or whatever it is that you're doing at that point in time. The opportunity doesn't happen that often and we wanted to give that chance to everyone. Therefore, if you haven**
