Elden Ring Features Key:

A Myth* of Summoning. Level up as you fight, and develop and customize your own original character. With the help of your spells, you can even create new tactics.

Play the game by yourself, or invite your friends to participate in the game together.*a Myth-Legend. The mythical legend of the Elden race has been handed down by its users. Hyat, or Hora, a punisher of the Dark Gods, was born from the heart of Elden. He aided Lytha, Elvira, Modem, and other Elden, who had been raised by civilizations throughout history. The Elden race admired Hyat from afar as legend. Hyat has survived the test of time, and you will be able to wield the power of Hyat as an Elden Lord through your exceptional capabilities, and join him in combat.

Fantasy Action RPG With an emphasis on Character Development. With the system of combining weapons and armor, you can freely customize your character's appearance and growth.

An Advanced System of Multiplayer RPG. Multiplayer with other players, direct sharing of certain data, and even communications with nearby players.

A Vast World that Continuously Changes. Explore the world and unravel the mystery of the Lands Between. An Adventure You Can Customize. Customize your weapons, armor, and magic on the go.

An Epic Story born from a Myth in the Lands Between. A multilayered story of travel together, multiple war routes, betrayal, and discovery.

An Online World that Allows You to Feel the Presence of Others.

Unexpected Monsters Await.* If you lose your connection during battle, interrupt your game and regain your connection. During the optional battle, you can collect the loot together with your allies. * The loot received during a battle is shared among all users, not just the users that participated in the battle. In other words, even if you die during the battle, your skill will retain its effect, and your equipment will be shared among the users
