Our program will cover local news, breaking news, national news, entertainment news, sports, political and social issues, and current events. INNOVATV is available anywhere, anytime. In addition, our subscribers have the option of downloading the streaming service on their laptops, tablets, or smart phones. (817) 363-5500 or (817) 363-5511 INNOVATV ORIGIN INNOVATV is an online video service that is dedicated to bringing the best of New York City, the region and the world to viewers and subscribers. INNOVATV's chief content officer, Jonathan Ames, began planning the network in 2010. He wanted to make a video service that would provide a thorough look at events in the region and connect viewers to events that were not readily available on traditional television. "We want to provide information and entertainment to our viewers," said Ames, who also serves as the network's general manager and chief content officer. "We have a
