Q: fwrite problem with multiple files Have a small problem that will be hard to explain. So I have the folder "Transcripts" with all of the log files from the whole day. I need to open the file that contains the current date and write the log to it with a certain filename. Some example:

```
Transcript.txt 23.03.2011 00:05:15 Here in the file the logs start from the morning and it has to be added to the file when I press the button and not just write the logs in the file. Could anyone help me with the problem? The code: if ((mainFile = fopen("Transcripts\\TranScript.txt", "a")) == NULL) { printf("The file did not exist."); exit(1); } // Read current date DateTime date; printf("This is the current date: %s", date.Format("%d.%m.%Y %H:%M:%S")); if ((fileHandle = fopen("Transcripts\\Transcript

Americans are more anti-Muslim than pro-life A new NBC News/Wall Street Journal/Marist poll out this week shows that fewer Americans than ever say they would support abortion rights if they knew the unborn child was a Muslim (29%) while 48% would favor abortion rights if the child was Christian. The same poll shows that, while only 32% of Americans overall say they have a positive image of Muslims, 70% of respondents say they have a negative image of Muslims. Overall, 42% of Americans have a positive view of Christians, but only 29% have a positive image of Christians. Meanwhile, 55% of Americans say it is acceptable to support capitalism, but only 40% say they would not be comfortable working for a private business that practices birth control. If you have trouble understanding why Americans today would be indifferent to the murder of another human being, try this: since U.S. aid to Israel reached its current level in 1980, Israel's number of children who are killed by their parents has increased by more than 300%, while the number of women being killed by their husbands has increased by more than 700%. The liberal tendency to equate any discrimination against groups of people, such as abortion or gay marriage, with racist or prejudiced ideas needs to stop. After all, anti-abortion activists use arguments about the rights of unborn children (as well as the morality of abortion) while anti-gay marriage activists often tout the intrinsic value of marriage — the same intrinsic value that liberals tend to assume for other aspects of marriage. The liberal idea that anti-abortion activists are somehow just the same as, or no better than, the Klan is totally without merit, as is the left's suggestion that anti-gay marriage activists are all burning crosses and shouting "whites only". The rise in anti-Muslim sentiment coincides with the rise in the percentage of Muslims in the United States. According to a Pew Research Center study released last week, the number of Muslims in the U.S. grew between 2010 and 2014 for the first time since 1999. Muslims in the U.S e79caf774b

Rae and Howard I like to think he is lovely. The bus used to call at the nearest high school (which I attended), and I remember the kids saying "We love you Rae". I was small for my age when I was growing up so I looked up to Rae mainly, but I also remember him being a bit uncomfortable around the cameras when he was being interviewed. I absolutely love the fact that he is married and has kids. I think it's so important when a celebrity starts a family that they start with their own. I actually missed hearing Rae speak on air. We were at the top of the list when we started the show, so we had to record in the morning on weekdays. Watching

Howard through the years, I honestly think he is a real sweetheart. One thing that I will always love about the show is Howard's commentary, he's completely unique and I don't think you'll ever hear anyone else sounding quite like him. I'm pretty sure anyone who knows about him appreciates that part. Fred Rogers - Mister Rogers I had no idea of this show until I started watching it online. The show was really special because it was prerecorded and we got to see what he was wearing and everything from his house. I really liked the part where he would talk about all the same stuff that would happen on the show. I'm pretty sure the show was only broadcasted on PBS at the time so I think it was great that it was broadcasted on tv and online. If I could do the show over again, I would call it "Children Can Listen". I think I would change the focus a little bit and start the show off with an intro about the
