There are no approved citations yet. The love story begins with two people who do not love each other. One works in the service industry, and the second earns his living. Throughout the film, we observe the development of their relationship. It's like a Romeo and Juliet story. Only without death. In general, the film is quite interesting. If you love love movies but haven't seen this movie, then

you should definitely check it out.
The film is about the need to be
able to love not for something, but
just like that. 6 of 10 dd2bc28256
