
Disney Fairies Tinker Bell S Adventure

TOP

Tink leaves the party to go to the forest where she finds the Mirror of Incanta. After learning about how to wield her wishes, Tinker Bell wanders into another trap that uses many of the fairy magic of the time. She enters a maze that has walls of stone that are filled with candles. The maze ends at a deep well, and this well can only be gotten to by a heroic fairie. When she reaches the bottom of the well, she is relieved to discover it is surrounded by fire, and she is free of the maze. But when Tinker Bell runs into a small storm cloud, the sky is filled with dark clouds and lightning. She gets caught and crashes into the wall. The wall falls, and then she finds herself in the middle of the fight between the mama and papa moths. The mama moth gives Tink the idea to sprinkle pixie dust on the wall. Tinker Bell uses her third wish to save Peaseblossom, Flora, and Frisky from the moth mama. The trio returns to the Mirror of Incanta, where Peaseblossom gives it to her. It is said that the wish not used is given back to the universe.

Peaseblossom tells Tink not to use her third wish to repair the moonstone. The Mirror of Incanta thanks her for saving it and gives her the scepter with the gold apple. She uses the apple to return to Pirate Island. Jake and the boys are still in the cage on the Jolly Roger, and the ship has no control. Captain Hook releases the boys from the cage, and they rush to rescue Tinker Bell. Jake is grabbed and is pulled into the ocean by the Jolly Roger, and he is forced to abandon the treasure.

The Jolly Roger crashes into a nearby island, and Hook takes the Treasure Chest for himself.
