
Starkey Driver

lapine health recently partnered with starkey to offer the starkey hearing foundation to help support the work that is done by the foundation. this partnership has allowed us to raise awareness of starkey as a charity dedicated to the hearing-impaired community. we are excited to help our community and the families of the hearing-impaired. starkey hearing foundation is a 501(c)3 non-profit organization. starkey is committed to the mission of promoting the hearing-impaired. we are dedicated to providing medical and humanitarian services to those in need, providing a strong voice for the hearing impaired, and promoting the universal value of hearing. starkey is committed to providing medical and humanitarian services to those in need, and to promoting the universal value of hearing. i am currently working on making the starkey 2.4 ghz wireless/trulink programmer work with the starkey p3x hearing aid. i am currently exploring the differences between the p3x and p5 hearing aid and will have my findings on this blog by the end of february. i am hoping to share my findings with the world via a new hearing aid blog post. i will keep everyone posted as i continue to work on this. we are excited to announce that we are now offering starkey p3x hearing aids to our students. the starkey p3x is a wireless, remote control hearing aid that allows the user to activate devices, adjust volume and perform other functions all from their iphone. the basic driver education component consists of a prelicense driver education course (18 hrs) and 3 hours of behindthewheel training. the prelicense driver education component is intended to educate students in safe driving techniques and fundamentals of the vehicle, and includes a one hour class about laws of the road, traffic signs, courtesy skills and other topics. if you have prior driver's license experience, you may be exempt from the prelicense course.

Starkey Driver
