Lulowin NG Compatible Con Windows 7

February 16, 2016 - "I want to be represented by presidents." If ever there was a hip-hop lyric that so accurately captured the state of mind of rapper (then...) Eminem, these are the lines. According to Eminem, he wrote the song in 2011 while trying to write his autobiography. His autobiography was only published in 2015. But Eminem can't tell his whole story. Some parts must remain secret. Eminem also can't tell the whole story. He just wants to talk about what he is. He wants to tell fans that he loves them and needs no introduction. He doesn't even want to be led to fame. 0946cee1be
