I still am not sure how to get to the root directory (the place where all of the tools are kept), but for example I went in to the hackers help subdirectory, and there is nothing that looks like a password set. Move on the line - see how it works At the request of the Ontario Ministry of Labour, I recorded the following video, which shows the Move on the Line process in action. We are always looking to update our site, and this is our way of reaching out to visitors, who might not find us on Google+, or other social media sites. We ask that you give us the opportunity to learn how you use our site and what you like and don't like about it.
