

The Pinnacle Of V - World Enhancement Project V1.8.1 - Gta V. Mod for Grand Theft Auto V by Josh Romito. Available in the "Scripts" category. Description. This mod adds a large number of new weapons to the game, which can be found in the vastness of Los Santos and Blaine County. The mod also adds a new weapon called "World Enhancement Project" (WWP) as a new weapon type. WWP is a weapon that can be obtained as a reward from characters in the game. Also, using WWP weapons, you can improve their performance.
